

## APPLICATION FOR ASSOCIATE MEMBERSHIP

We understand the rules and conditions of Associate Membership and apply to join Foothills as Associate Members. We understand that Associate Membership is a temporary membership, effective only until a Proprietary Membership is offered to us.

The entrance fee for an Associate Membership is \$9,500.00. When an Associate Membership becomes available, we agree to pay this fee in order for an Associate Membership to become effective. We understand that this is a nonrefundable deposit, which will be applied to the then current Proprietary Membership entrance fee when we transfer to Proprietary Membership. Furthermore, we understand that if we elect not to transfer to Proprietary Membership when first invited to do so, this deposit will be retained by the Club and our membership privileges will terminate.
