

Fall Fireballs: junior tennis training

August 27 – December 13, 2018 (3 sessions)

Program Summary

Fireballs is for players of all abilities between the ages of 5 and 17. The program is designed to help each individual progress physically and mentally, and to work toward both short and long-term goals. Our primary goal as coaches is to introduce and teach tennis in a fun environment, in which players are challenged and encouraged to reach their full potential. Players are expected to work hard, follow instructions, and conduct themselves in a productive manner.

Coach selections are based on tennis experience, coaching ability, and enthusiasm for the game. Each coach brings unique skills, background, and personality to the clinics and helps create a positive experience for the players. Student to coach ratio is 6 to 1.

Sign-ups for these sessions are **for the full session only**. Choose up to three recurring times per week. Register early to secure a space in the class of your choice. **No drop-ins accepted.**
